Enthusiastic and self-motivated web developer. I want to bring my skills in frontend development to every project I take on in the future. My goal is to join a company where I can utilize my skills and gain further benefits and experience.

Project Work

- **E-Commerce App using React JS** *Feb 2024 - Mar 2024*
 - Developed a dynamic website for e-commerce using React and Redux. I have used API to display products in the website.
- **Created Customer Management System using React JS** *Jan 2024*
 - Created a customer management system based on CRUD operations, where we can add new customers, delete customers, and update details according to need.
- **Created a static website using bootstrap framework** *July 2022 - Oct 2022*
 - Developed a static website with the help of HTML, CSS and Bootstrap framework.
 - This website will cover syllabus of NIELIT's Non-Formal Course like CCC, O level, A level and students will get some quiz to improve their knowledge, skills and get help in Level exams & also in other relatable exams.

Education

- **Graduation** *2020 - 2023*
 - Bachelor of Arts
 - Dr. Ram Manohar Lohiya Awadh University, Ayodhya U.P.
- **Intermediate** *2019*
 - PCM
 - P N S J I C Barhi Sonbarsa Gorakhpur, U.P.
